

Corporate Addendum Northern Tier Fishing Lease

The Corporate Addendum is designed for the business owner who is interested in building client relationships through shared experiences.

A Corporate Addendum Lease Holder enjoys all of the privileges of an Individual leaseholder on the Northern Tier of Lakes Lease. The Master Lease remains the primary source document. The Corporate Lease is viewed as an Addendum to the Master Lease that provides extra benefits.

When the Corporate Leaseholder is not exercising his Addendum privileges he reverts back to an Individual leaseholder with all of its' inherent privileges.

The Corporate Lease is available for **\$1900 annually**.

Corporate Addendum Additional Benefits:

1. The Lease Holder may bring up to three (3) adult guests per visit onto the Northern Tier of Lakes Lease properties to fish. No one under the age of eighteen is allowed as a guest when exercising Addendum privileges.
2. The Lease Holder must be present on the lease when guests are on the lease.
3. Guests may fish separate Lakes within the specified properties.
4. The Lease Holder remains personally responsible for guest compliance with all Lease rules.
5. All guests must sign a Release of Liability prior to entering the lease. Release forms are available at hopkinsoutdoorsllc.com.
6. The Maximum number of visits per business client per lease year is two (2).
